Warranty Statement

GenXFlash warrants its products to be free from defects in materials and workmanship, under normal use, for the warranty period stated below, from the date of purchase or delivery, whichever is later. During this warranty period, the GenXFlash Repair Center will repair or replace, at its option, any parts or electronic assemblies of the unit which, upon inspection, reveal a defect in material or workmanship.

This warranty does not apply to any GenXFlash product that has failed due to: improper installation, excessive voltages, unauthorized alterations, inadequate wiring, or circuit protection, or other use or installation contrary to GenXFlash's recommendations; abuse, misuse, inadequate maintenance, unconventional use, or accidental damage.

GenXFlash assumes no liability for any incidental or consequential damages, expenses incurred in removal or reinstallation, expenses for packaging, handling and shipping to the repair center, or the cost of special access equipment.

GenXFlash reserves the right to discontinue any product without prior notice, or to implement design improvements to any product without prior notice.

There are no other warranties, express or implied, including but not limited to any implied warranties of merchantability or fitness for particular purpose.

Warranty Periods

ALL PRODUCTS EXCEPT STROBE TUBES **5 YEARS**

STROBE TUBES **1 YEAR**

For Warranty Service

Please call an Authorized **GenXFlash** Distributor in your area for a return authorization number. Enclose a copy of the sales receipt or invoice with date of purchase. Include a brief explanation of the problem. Include name and daytime telephone number of consumer contact person.
